Island Paradise

Surrounded by white sandy beaches and the beautiful coral gardens of the Great Barrier Reef, Green Island is an idyllic coral cay located only 15 nautical miles offshore from Cairns.

It offers the best elements of the tropics in one destination: beautiful island beaches, shady emerald rainforest and a world-renowned coral reef.

Travelling with Big Cat Green Island Reef Cruises, your day can be as active or relaxing as you want. Choose between resting on the beach or indulging in some of the many activities available.

Why choose us?

- Flexibility of 3 departure times
- Activities for all ages
- Family friendly tour
- Marine Biologist on board daily
- Air-conditioned vessels
- Free Wifi

At a glance...

- Ideal for both swimmers and non-swimmers
- View the reef by semi-submarine, glass bottom boat and snorkelling
- Delicious freshly prepared lunch served on board (full day only)
- Licensed bar and lockers available for hire on board
- Sheltered beach with plenty of shady retreats
- Rainforest boardwalks with interpretive signage
- Marineland Melanesia nautical museum

GBR BIOLOGY
REEF EDUCATION | LAND & SEA COUNTRY CONNECTIONS

Join Big Cat for a day at Green Island with interpretive Reef talks and demonstrations conducted by our GBR Biology team of Marine Biologists/Master Reef Guides. Immerse yourself in the amazing underwater world and learn from passionate Reef Educators.

Ongoing research plays an important role in understanding the world's largest coral reef ecosystem, our GBR Biology team is involved in several reef research and coral monitoring projects and are very excited to share their knowledge of our GBR with you. Our GBR Biology team strives to promote and conserve the World Heritage Great Barrier Reef through sustainable tourism, biology, research, education and community engagement.
